Shivam: We are going to discuss on the budget of 2023-2024, if you guys have question ,feel free to stop me and you can ask your question.

Tulika: Sure

Pavan: Let's start

Shivam: This year we got around ~50% of the rise in our sales area, projecting toward ~55% in the upcoming quarter. Year to year rise is 14%. For the next year, we are declaring "Frozen Initiative" which says that there will be zero hiring in the coming year and we will try to upskill all our graduates and make them the best to give 100%. This initiative will help us to enable the real expertise in our Team and with collaboration, we can achieve our best toward our success.

Tulika: This really sounds interesting to me.

Pavan: What will be the tenure of "Frozen Initiative"
